Catherine's formal training with energy work began in 1995 when quite unexpectedly she found herself in a Healing Touch class. There began a journey of study, of deepening into herself and of becoming passionate about empowering and supporting others through the teaching and offering of the skills she has developed. Catherine has worked full time in the field of energy healing for 17 years. For seven years she directed the Healing Pathway, a spiritually based healing program. Catherine teaches Healing Touch Levels 1 to 5 and for the Intuitive Mind Program. She lives in Duncan, BC and offers sessions both in person and at a distance
