

The CLPNNL Workshop for LPNs is Going Virtual

Over the past couple of years approximately 150 LPNs have attended the day-long in-person workshop that CLPNNL has offered around the province. Covid-19 has prevented us from continuing an in-person offering of this workshop – So, we are taking to Zoom! **Register by February 15th, 2021.**

CLPNNL is offering the LPN Workshop over **3 sessions** – You will need to attend all 3 sessions to complete the workshop. Registrants would make a commitment to attend all 3 sessions.

The three dates are:

¹ Tuesday February 23, 2021	0900 – 1200
Tuesday, March 9, 2021	0900 – 1200
Tuesday, March 23, 2021	0900 – 1200

If you have already attended the day long workshop, please do not re-register.

The sessions will be conducted over Zoom. Participants will connect via computer/device with both their audio (microphone) and video (camera). Directions around connecting to the workshop will be shared with approved participants in advance.

To request registration:

Send an e-mail to slewis@clpnnl.ca including the following 4 things:

1. Name and CLPNNL Registration number (Use 'find a nurse' on CLPNNL website if you need to look up your number)
2. Your e-mail address you will be using while attending the workshop. (we will use this address to connect you with Zoom)
3. A statement to say that you will attend all 3 sessions.
4. A statement to say that you have not already attended the in-person workshop.

This will be an interactive workshop with activities. Below is an overview of the content we will cover.

- Regulation - why does it matter to LPNs? To the public?
- Standards of practice and ethical codes– what do they mean and why do we have them?
- Scope of practice – Am I allowed to do that?
- Assignment of care – methods and responsibilities.
- Professionalism, CCP and other obligations.
- Leadership.
- Resources to support your practice.

¹ The 3 dates selected are intended to allow LPNs who are rotating shift workers to attend on their scheduled days off. If/when CLPNNL repeats a Zoom offering of the workshop, we will select dates on the opposite side of a rotational schedule.
