

(v) Emergency Temporary License

The Licensed Practical Nurse Regulations, 2011, Section 4.1 provides for the CLPNNL Registrar or the Board to issue an emergency, temporary, time limited license when there is an immediate need for practical nursing services due to an actual or potential threat to public safety, health, welfare or where the minister or federal Minister of Health makes a request.

- a.** The duration, terms, conditions, or restrictions of the license may be imposed by the Board.
- b.** The requirements of applicants for this category are outlined in the Licensed Practical Nurse Regulations, 2011, Section 4.1 (2 – 6).

Currently, there is no emergency temporary license in effect. This information will be updated as necessary.
