Professional Growth Plan Continued...

EVALUATION: Complete the below section once you have completed your learning goal(s).	
New Knowledge: Identify something specific you learned by achieving this goal(s).	
Reflective Evaluation: How has this new knowledge influenced your nursing practice? Describe how you	
use this new knowledge to improve your practice and positively impact client outcomes?	
Check the statement(s) that may apply to your new learning.	
I feel more confident that my nursing practice is consistent with current evidence.	
I incorporate <mark>d my new</mark> knowledge into my practice.	
I shared my new knowledge with colleagues and clients.	
I received positive feedback on my learning from clients, colleagues, and/or managers.
