

## CLPNNL Strategic Plan 2018 - 2020

PRIORITIES	GOALS	OUTCOMES
1. Support LPNs to grow into leadership roles.	Educate LPNs to be leaders and about leadership.	Understanding of leadership roles in work life of LPN.  Career opportunities for LPNs in education and management.
	Recognize and acknowledge leaders.	
	Promote LPNs as educators and leaders.	
2. Educate about the LPN identity (role, competencies, education, scope of practice).	Launch revised communication strategy.	LPN working to full scope of practice.
	Launch stakeholder outreach strategy.	
	Leverage technology to support education.	
	Reach out to new audiences (RN, employers/managers).	
	Explore jurisprudence assessment of LPNs.	
	Educate about the LPN competency profile.	
3. Provide more education opportunities to support safe and competent care	Continue development of CCP courses in areas of need.	Meet requirements of continuing competency.
	Explore innovative delivery methods and timelines to address schedule and time issues.
