

Overview of Youth Treatment Centres in Newfoundland and Labrador: Tuckamore and Hope Valley Treatment Centres

Wednesday, June 25, 2025 from 1:00-2:00pm NDT

Presented by the staff at Hope Valley and Tuckamore Youth Treatment Centres

This session will offer a comprehensive overview of the two inpatient treatment centres for youth that serve the province of Newfoundland and Labrador. Attendees will gain insight into each centre’s referral criteria and intake procedures. The session will also highlight the structure and content of daily programming, therapeutic services, and supports available to youth during their stay, providing a clearer understanding of how these centres contribute to youth mental health and wellness in the province.

Target Audience:

Anyone interested in learning about NLHS youth treatment centres in NL, with a particular focus on social workers and addictions counsellors within NLHS.
